Affiant, Royleen J. Ross, is a Special Agent of the Federal Bureau of Investigation (FBI) and has served in that capacity for approximately seventeen (17) months.

The following facts and information are known by the Affiant and were provided by other law enforcement officers directly involved in the investigation of this matter. These facts and information are being provided as probable cause in support of an application for a complaint in violation of Title 18, United States Code, Section 2422(b), Use of Facility of Interstate Commerce to Attempt to Induce a Minor to Engage in Criminal Sexual Activity for Which a Person Could be Charged with a Criminal Offense; Title 18, United States Code, Section 2252(A)(a)(1), Interstate Distribution of Child Pornography; and Title 18, United States Code, Section 2425, Use of Interstate Facility to Transmit Information About a Minor.

Federal Bureau of Investigation Special Agent Douglas Macfarlane, using an internet connected computer, posed online as a twelve (12) year old female. Special Agent Douglas MacFarlane has been employed as a Special Agent for more than eight years. He is currently assigned to a multi-agency child exploitation task force known as the Southern California Regional Sexual Assault Felony Enforcement Team ("SAFE Team"). His responsibilities include the enforcement of federal criminal statutes involving the sexual exploitation of children pursuant to Title 18, United States Code, Section 2252, et seq. As part of his training as a member of the SAFE team, he has attended a one-week training class regarding the internet, on-line child pornography, and internet child enticement investigations. He has also consulted with his colleagues who have many years of experience investigating child pornography and child exploitation cases.

As further detailed in the below paragraphs, evidence in this affidavit can be summarized as follows: An individual, identified as Harvey Lee Pluff, Jr., using the AOL screen name "Enviroworker1627," initiated numerous IM chat sessions with Agent Macfarlane while he was posing online as a 12 year-old girl named "Julie." During these chats, Pluff initiated conversation on topics of sex, meeting "Julie" in person, and performing various explicit sexual acts with "Julie."

During the course of these chats, Pluff sent to "Julie," via e-mail, over 30 JPG pictures and 4 MPG movie files appearing to depict child pornography. Pluff sent these files to "Julie" in order to show her girls her age (and younger) do actually engage in sexual activity and to show her what he wished to do with her when they meet. In addition, Pluff gave "Julie" the AOL screen name of his niece, who he claimed was approximately twelve years-old, and asked "Julie" to chat with his niece. Pluff wanted "Julie" to chat with his niece and determine if his niece would allow Pluff to see her (the niece) nude or to do sexual activity with Pluff.

Throughout the IM chat sessions during this case as described below, Agent Macfarlane communicated with Pluff using common IM chat abbreviations and mannerisms.

On November 6, 2004, Agent Macfarlane used a computer in Los Angeles, California to log onto AOL in an undercover capacity using the AOL profile "CAJulie1992." This profile, which other AOL users are able to access and review, identified CAJulie1992 as a single female named Julie who

lived in West Los Angeles and who just started 7th grade (hereafter referred to as "Julie"). Using this AOL screen name, Agent Macfarlane joined a chat room created by AOL users entitled "taboo." At approximately 4:05 p.m., an individual using the AOL screen name "Enviroworker1627," later identified as Pluff, initiated a private IM chat session with "Julie." The following conversation occurred during this chat session:

- a. "Enviroworker1627" described himself as a 31 year-old male from Texas. "Julie", in turn, identified herself as a 12 year-old female living in Los Angeles.
- b. "Enviroworker1627" then asked "Julie" if she had a picture she could send him, and he asked what she looked like. "Enviroworker1627" next asked "Julie" if she liked older men and later stated to "Julie" that he "wish you were here."
- c. "Enviroworker1627" sent "Julie" via e-mail a JPG photograph of himself which appeared to be a heavy-set male approximately 30 years old with brown hair and wearing glasses.

On November 12, 2004, Agent Macfarlane again logged into AOL in an undercover capacity as "Julie." At approximately 6:02 p.m., "Enviroworker1627" initiated another IM chat session, during which the following conversation occurred:

- a. "Enviroworker1627" sent "Julie" a JPG picture of a young girl that he claimed was his 10 year-old niece. "Julie" reiterated her own age by saying "wow thats 2 yrs younger than me!"
- b. "Julie" asked, "wats on ur mind 2 night?" to which "Enviroworker1627" responded, "sex sex and more sex lol." He then stated, "i just don't know if im sick or not i just always fantasise about young girls" and "their sweet tender bodies."
- c. "Julie" then asked if he had ever done anything with a girl her age (12). "Enviroworker1627" responded, "no i wish." "Julie" responded by saying, "k well i dont kno much bout tat stuff iz it ok for girls my age 2 do tat stuff?" "Enviroworker1627" stated, "my opinion yes but some no." "Enviroworker1627" then asked "Julie" again for her picture.

On November 22, 2004, Agent Macfarlane logged into AOL in an undercover capacity as "Julie." At approximately 4:12 p.m., "Enviroworker1627" initiated another instant message chat session with "Julie", during which the following conversation occurred:

- a. "Julie" sent to "Enviroworker1627" an e-mail containing a JPG picture which she claimed was a photograph of herself but in actuality was a photograph of a Los Angeles County Sheriff's Deputy, taken at approximately age 12, who has consented to the use of this photograph in child exploitation cases. The photograph depicts a young, thin female with shoulder-length blond/brown hair who is pictured from the waist up dressed in a green and blue sleeveless top.

This file was named "jules1.jpg."

- b. In response to seeing this photograph, "Enviroworker1627" told "Julie" that she was "woooooooooooooowwwwwwww hot" after which he asked "Julie" if she had a boyfriend. "Julie" again reiterated to him that she was 12 years old.
- c. "Enviroworker1627" asked "Julie" if she was "interested in sex?" He also said that girls Julie's age and even younger have sex. He said, "i seen them [have sex] around 8" and that "it's true it's illegal but it does happen."
- d. "Enviroworker1627" then asked "Julie" if she was alone. After she said that she was, "Enviroworker1627" asked, "want me to see if i can find you a pic?"
- e. After responding that she would, "Enviroworker1627" sent via e-mail to "Julie" two JPG photos containing images that appeared to be child pornography. Specifically, the first photo depicts a blond haired female who is approximately 6 years old. She is nude and sitting on a toilet seat with her legs spreads. An erect penis is partially inside her vagina. The second photo depicts a brown-haired female who is approximately 8 years old. She is nude and sitting on a bed. There is an adult male standing on the bed, and the male has his erect penis in the female's mouth.
- f. After sending the pictures, "Enviroworker1627" asked, "think you would ever try it?" "Enviroworker1627" also estimated that the age of the girls in the photographs are 9 or 10 years-old. "Enviroworker1627" told "Julie" that it's against the law for an adult to have sex with a minor, and he asked, "what is your opinion?" and "but would you tell if say you were to let a man do that to you would you tell anyone or keep a secret?" "Enviroworker1627" then asked if he could talk to "Julie" on the telephone.

On November 26, 2004, Agent Macfarlane logged into AOL in an undercover capacity as "Julie." At approximately 1:02 p.m., "Enviroworker1627" initiated another instant message chat session with "Julie", during which the following conversation occurred:

- a. "Enviroworker1627" said that he can't keep looking at the [child pornography] pictures that he previously sent "Julie" because "they make me hard." "Enviroworker1627" told "Julie" that he has liked girls her age for 9 years.
- b. "Enviroworker1627" then asked, "so if i was in your area would ;you ever want to meet me in person" and "are you couriouise about trying the things in the pics?"
- c. "Enviroworker1627" told "Julie" that he would like to do the things depicted in the photographs with "Julie." He asks "Julie" a series of questions: "would you kiss me"; "would you let me touch your breasts"; "would you let me rub you butt" "would you let me touch you pussy"; "would you let me lick it...it's called eating you out i would take my tongue and lick your pussy"; "would you touch my man thing....you take your hand and hold it and move your hand up

and down on it"; and "ok would you put it in your mouth and suck it."

- d. When asked by "Julie" where they would do all of these things, "Enviroworker1627" responded, "will a motel work?" "Julie" asked him if he was going to tell her mother if they did these acts. "Enviroworker1627" said, "heck no i don't want to go to jail."

- b. "Enviroworker1627" asked "Julie" for more pictures of herself and talked about seeing her in a bikini and thong underwear. He also asked, "have you ever played with yourself down below or ever thought about doing it?" Agent Macfarlane found one individual named Gloria Pluff who possibly lived at 1003 John Wayne Road, Robstown, Texas, 78380 (the same address listed by AOL). Agent Macfarlane also found that Harvey L. Pluff was a possible relative of Gloria Pluff (this is consistent with "Enviroworker1627's" statement in the chats that his wife's name is Gloria). On April 8, 2005, a search warrant was served at the residence of Harvey Lee Pluff, Jr. and Gloria Pena, located at 3720 Brookside Drive, Apartment 606, Corpus Christi, Texas 78410. A

preliminary forensic examination was conducted on a Hewlett Packard computer, Model A523X, MXK4370XD3, by Corpus Christi Police Department Sergeant Robert McFarland and Computer Forensic Specialist Kenneth Patterson, which was located at the residence. Gloria Pena indicated she and Harvey Lee Pluff, Jr. rented the computer from Rent-A-Center in Robstown, Texas. Pena said the computer was new and "out of the box." Approximately 70 images containing suspected child pornography were located on the hard drive of the computer.

SA Macfarlene provided Affiant with images of Harvey Lee Pluff, Jr. and Brittany Pena, which Pluff sent to him online. Gloria Pena was presented with the images and she recognized them as Harvey L.
